

AVTranz – Phoenix Office Move

AVTranz moves to larger space at 845 North 3rd Avenue

February 23, 2010, Phoenix, AZ – AVTranz today announced the move of its Phoenix headquarters to larger offices effective 03/01/10. The Company, previously located at 365 E Coronado Road, will occupy more than 4,300 square feet of the historic Motherwell building on the Southeast corner of 3rd Ave. and Roosevelt.

Built in 1914 as one of the first apartment buildings in Phoenix, the building has undergone several renovations over the years, eventually serving as law offices for the Motherwell Corporation. The building is located in the heart of the prestigious Roosevelt Arts and Historic District and is surrounded by local art galleries, restaurants and coffee shops. It is also conveniently situated close to the Portland Light Rail stop and Interstate 10.

"This is a great move for us," said Steve Townsend, AVTranz' CEO. "We have been growing rapidly over the last two years and expect to hire another 3 employees during 2010." AVTranz provides digital court reporting and transcription services for courts and government agencies across the country. "While we now do business with courts and agencies nationwide, our local clients including the City of Phoenix, Maricopa County Superior Court and the federal District and Bankruptcy courts remain an important part of our long-term success. Having our offices closer to all of these courts and agencies was a big part of our move decision."

Erik Lige, AVTranz' Vice President, Sales and Marketing, also notes that the Company is excited to become more involved in the Phoenix downtown activities. "This area has experienced tremendous redevelopment over the last ten years, and despite the economic downturn, there are still plenty of individuals and businesses committed to making this area thrive. Events such as First Friday and new businesses such as Pita Jungle and Lola Coffee committing to the Roosevelt Arts and Historic District all work to create a great environment."
